REQUEST FOR VOLUNTARY REPUBLICATION UNDER §1.221(B)

MS PGPUB
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant respectfully requests voluntary republication of the above-identified patent application, which was previously published on April 15, 2004, as U.S. Patent Publication No. 2004/0073124 ("the '124 Publication"), a copy of which is attached as Exhibit A. Applicant submits that the '124 Publication contains a material mistake that was a result of the U.S. Patent and Trademark Office's error. Specifically, the '124 Publication does not include the formal drawings that were originally filed with the above-identified application on July 24, 2003. Applicant draws the Office's attention to the formal drawings attached herewith as Exhibit B, and respectfully requests inclusion of the formal drawings as part of the republication.

Applicant's representatives have contacted Mr. Shelby Pittman in the Office for Pre-Grant Publication regarding republication of the above-identified patent application. Mr. Pittman indicated that the two-month deadline for a request for republication will be waived for this republication request.

In accordance with 37 CFR. 1.221(b), it is believed that no fee is due for this republication request. However, the Commissioner is authorized to charge any deficiency in this fee to Deposit Account No. 04-0100.

Dated: June 2, 2006

Respectfully submitted,

By 
Pierre R. Yanney
